

Alumni Committee

The concept of alumni association is to provide a forum to bringing together the old students of the College, so that they can contribute their expertise in technology to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

Reaching out to College Alumni: Priyadarshini family is proud to have as its alumni a collective of good engineers and entrepreneurs over the past 8 years. This number will continue to grow.

Vision

- To provide a forum for bringing together the old students of the College, so that they can effectively contribute their expertise in technology and research in the country
- To make them proactive to face the challenges in recent industrial developments.
- To provide job opportunities to fresher through references of engineers in the respective field.
- To conduct orientation and training programs to students on various topics to enhance their skills.
- To create awareness among students about the scope of their subject in the professional world.
- To maintain the contacts of the alumni of the college.
- To promote cultural and social welfare activities among the members so as to develop a sense of tradition and heritage.
