

Department of Humanities & Sciences

2025-26

Induction Programme:

An 'Orientation Programme' was organized to welcome the first year students who were admitted to Engineering program at our institution on 18/08/2025 where students and parents were welcomed by the Management and Principal of PRIYADARSHINI INSTITUTE OF SCIENCE & TECHNOLOGY FOR WOMEN. The day was marked with the presence of with the presence of chief guest Dr. K.NAVEEN BABU CHAIRMAN SIR, PRIW. Other noted presence included Dr. B. GOPAL, Principal, PRIW and Mr. A.V. RAMANA, Academic director, PRIW

The objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the institution and ensuring parental participation in monitoring the performance and progress of the students. The induction program is to facilitate the smooth integration of students into their new academic environment. This is achieved by fostering a sense of comfort, promoting open communication, establishing healthy daily routines, fostering bonds within the student cohort and between faculty and students, nurturing self-awareness, empathy, and understanding of oneself, others, society, and the environment. Additionally, the program aims to address any critical gaps in knowledge, encourage exploration of academic interests, promote collaboration over competition, and foster overall personality development. The induction program comprises engaging activities such as motivational speeches, teambuilding exercises, expert lectures, and campus orientation sessions. Therefore, the purpose of Student Induction is to help the new students adjust to the new environment, introduce them to the culture of the institution and help them build bonds with

other students as well as the faculty members and expose them to a sense of larger purpose and

FRESHERS DAY:

Every student eagerly looks forward to one of the most memorable events of college life— Freshers' Day. The celebration held on 15/11/25 was a significant and joyful occasion for the students of the 2025–2026 batch at PRIYADARSHINI INSTITUTE OF SCIENCE & TECHNOLOGY FOR WOMEN, KHAMMAM. The event was marked by enthusiasm, music, laughter, and a vibrant festive spirit. The program was organized by the II Year students of ECE, CSE, CSE (AI&DS), and

CSE (AI & ML), who extended a warm and cordial welcome to the first-year students. The celebration provided a platform for seniors and juniors to interact, bond, and foster a sense of unity within the campus. The program was well structured into four major segments: Cultural Entertainment, Ms. Fresher –Ramp Walk, and Cultural Events. A variety of performances, dance programs, showcased the creativity and confidence of the students while enhancing their communication and interpersonal skills.

The Fresher's Day was organized with incredible gusto and zeal in the Institute in the AUDITORIUM. The celebration took place at 10.00 AM with inaugural dance . The Dignitaries Dr. K. NAVEEN BABU, CHAIRMAN, PRIYADARSHINI INSTITUTIONS &, Dr. B.GOPAL, Principal , Mr. A.V. RAMANA, Academic Director, All HODs, were invited on to the Dais. As per institutional tradition, all the dignitaries participated in lighting the lamp and followed by prayer song.

CHAIRMAN, Dr. K.NAVEEN BABU Sir extended a cordial welcome to the freshers and congratulated them on securing admission to the institution. CHAIRMAN Sir emphasized that the institution is not merely a center for academic learning but a platform for holistic development, focusing on knowledge, skills, values, and ethical conduct. The PRINCIPAL encouraged the students to actively participate in co-curricular and extracurricular activities. The importance of time management, self-confidence, teamwork, and adaptability in today's competitive world was also highlighted. The ACADEMIC DIRECTOR wished all fresher's a successful, disciplined, and fulfilling academic journey. The Heads of Departments also shared their insightful thoughts, motivating the students further.

Workshop On AI Fundamentals

The Department of Humanities & Sciences (H&S), in active collaboration with the Institution's Innovation Council (IIC), successfully organized a comprehensive one-day workshop titled "**AI Fundamentals**" on **February 12, 2026, from 9:30 AM to 4:30 PM at the Main Seminar Hall**. This significant skill development initiative was conducted by the prestigious **IBM Skill Build Program** in strategic partnership with **Magic Bus Foundation**, targeting all I Year B.Tech students across all branches of engineering of our college. The programme commenced with a formal inauguration led by the Principal, who emphasized the critical importance of AI literacy for future engineers in the context of Industry. Distinguished resource persons **Mr. SAI RAGHAVENDRA & TEAM** from IBM and Magic Bus Foundation delivered specialized sessions covering core AI concepts, machine learning basics, practical applications across engineering domains, and emerging career opportunities in artificial intelligence. A key highlight was the hands-on certification activity where students utilized their mobile devices to complete the IBM Skill Build assessment, enabling them to earn globally recognized digital certificates. Approximately **250+** students actively participated, demonstrating keen interest through interactive Q&A sessions, live demonstrations, and group discussions on AI ethics and real-world implementation challenges. The workshop concluded with a valedictory session featuring certificate distribution. This event directly contributes to institutional goals of bridging academia-industry gaps while fostering innovation culture among students.

The event was conducted successfully, inspiring student innovation. Recommend annual repetition with expanded participation.
