

Transport committee

- **Priyadarshini Institute of Technology and Science for women** was established aiming at the technical education for women. Considering the need for providing safe transport facilities, the management has taken decision to provide college transport for the students and staff
- The **Transport Committee** in an educational institution is typically responsible for managing and overseeing all aspects of transportation related to the institution, including arranging student and staff transportation, ensuring safety, monitoring vehicle maintenance, and addressing concerns related to travel and commuting. The committee usually work together to maintain efficient, safe, and cost-effective transportation services
- The **Transport Committee** is a crucial body within an institution that ensures the smooth and safe operation of all transportation services. Its structure is designed to include representatives from various areas—administration, faculty, students, transport staff, and safety officers—to address all aspects of transportation, from logistics and maintenance to safety and finance. The committee's constitution provides a clear framework for coordinating transportation needs, ensuring safety, and meeting the overall goals of the institution

The committee for the academic year is constituted with the following members:
