

Women Empowerment Cell

The Women Empowerment Cell at Priyadarshini Institute of Science & Technology for Women is established with the aim of empowering and orienting women to recognize their true potential and to help them attain their own stand in a competing world. Its goal is the overall development of women in the organization in all spheres of their life. It also helps in creating awareness about important issues related to women and provides a forum for discussion and deliberation on a range of issues from empowerment to environment.

The Cell seeks to nurture the young women force in the campus to achieve many mile stones of success in their life. It also seeks to empower young women to attain emotional, physical and mental freedom to withstand the changing phases throughout their life. With a view to take up women's issues and problems, the cell aims at creating awareness of their rights and duties. It also provides a platform for women to share their experiences and views regarding their status in the society and to suggest ways to improve and empower themselves. Aiming at intellectual and social upliftment of the female students, the cell stands for facilitating women's empowerment through guest lectures, seminars, awareness programmes and other welfare activities.

Vision

To nurture harmony through gender equity, and inculcate the spirit of personal and professional proficiency in women to be rendered as global leaders.
